RE: 193-07-CA (1526 Tryon Road) — Approved with Conditions and with 365-day Delay Period

Dear Mr. Lamb:

Your application, 193-07-CA, which was presented at the December 3, 2007 meeting of the Certificate of Appropriateness (COA) Committee of the Raleigh Historic Districts Commission, was conditionally approved as submitted with a 365-day demolition delay period and an effective date of December 3, 2008. The conditions are as follows:

1. The landscape plan, including final count and locations of trees to be removed, and the locations of replacement trees, shall be provided to staff within 1 year of issuance of this certificate of appropriateness and approved by staff prior to the undertaking of any tree removal.
2. Replacement trees (minimum 2" caliper) are planted on a 1 to 1 basis with like kind and type of trees in accordance with standard arboricultural practice within 18 months of the issuance of the certificate of appropriateness.
3. No existing trees to be removed for the road project are to be cut prior to issuance of "notice to proceed" to the road contractor.
4. Pruning of trees shall be conducted in accordance with standard arboricultural practice using target pruning techniques, with documentation of pruning sites provided to and approved by staff prior to issuance of "notice to proceed" to the road contractor.
5. Specifications regarding the dismantling and reconstruction of the stone wall will be provided to and approved by staff. This includes, but is not limited to detailed documentation of the wall, the method of mortar removal, storage of stones, and composition of new mortar.
6. The wall will be reconstructed within 1 year of commencement of the project.
7. Copies of all documentation prepared regarding the historic site (i.e. Historic Structures and Landscape Recordation Plan) will be provided to staff for inclusion in the Raleigh Historic Landmark file.
8. This Certificate of Appropriateness may be renewed by staff as minor work provided there is no revision to the degree and extent of work as approved by the COA Committee.

9. The reconstructed stone wall is placed in the same proximity of the new right-of-way as it is currently.

A draft Certified Record that describes the committee's action is attached. The draft will become final when the committee votes at its next meeting to approve the December 2007 minutes. This letter shall serve as your Certificate of Appropriateness and is valid from December 3, 2008 through June 3, 2009; if work does not begin during that period, you must reapply for a valid certificate.

In order to complete your application, you must contact the commission staff when you have met the conditions. Please note that all items for fulfillment of conditions should be submitted together, as each additional conditions review after the first review is subject to a \$75 fee. You will then be issued a blue placard form of the certificate. To obtain your demolition permit, take the placard form of the certificate and this letter with you to the Permit Office. Please post the blue placard form of the certificate in public view, as indicated at the bottom of the card, while the work is in progress. For more information about permits, call the Permit Office at 919-516-2495.

When your project is complete, you are required to ask for a final zoning inspection. Telephone the Raleigh Historic Districts Commission office at 919-832-7238 and the commission staff will schedule an inspection. If you do not call for this final inspection, your Certificate of Appropriateness is null and void. If you have any questions concerning your application, please contact the commission office.

Sincerely,

Nick Fountain, Chair
Certificate of Appropriateness Committee
