Design Guidelines - Please cite the applicable sections of the design guidelines (www.rhdc.org).

Section/Page	Topic	Brief Description of Work (attach additional sheets as needed)
2.7.2	Windows and Doors	<p>Existing front door does not appear to be original. It does not have glass and is only 1 1/4" thick, which is thinner than most exterior and interior doors. The thickness is a safety concern and the door does not allow light into front foyer/hallway. Almost all front doors in Oakwood have glass in the upper half, as was very common for the period.</p> <p>Remove existing front door, which does not seem to be original or appropriate for the neighborhood and replace it with a repurposed, historic, heart pine, 1 3/4" door with half glass as shown in proposal photos. Door will be stained natural for aged heart pine.</p>
2.7.7	Windows and Doors

Please post the enclosed placard form of the certificate as indicated at the bottom of the card. Issuance of a Minor Work Certificate shall not relieve the applicant, contractor, tenant, or property owner from obtaining any other permit required by City Code or any law. Minor Works are subject to an appeals period of 30 days from the date of approval.
