**A-132-16**, WHEREAS, Halpern Enterprises, Inc., property owner, requests variances to Conditions 8, 14, 15, 16, and 17 of City of Raleigh Ordinance (2016) 622 ZC 735, which sets forth those zoning conditions associated with rezoning case Z-6-16. The variance to each zoning condition is summarized herein: (1.) Condition 8: a variance to this condition that prohibits a driveway cut along the property's Old Leesville Road frontage in order to permit a driveway serving the Leesville Teacherage structure. (2.) Condition 14: a variance to the language of this condition that prohibits a building from being located south of the line described in the condition. (3.) Condition 15: a variance to the requirement that a portion of the property be maintained as a tree conservation area or undisturbed area in order to permit the location of a driveway serving the Leesville Teacherage structure. (4.) Condition 16: a variance to this condition in order to permit the Leesville Teacherage to remain on the property even though its primary building materials do not comply with this condition and (5.) Condition 17: a variance to this condition in order to permit the relocation of the Leesville Teacherage structure to another location on the property and to allow for the issuance of a building permit for new development once such relocation occurs on a 7.72 acre property zoned Neighborhood Mixed-use-3 Conditional Use (NX-3-CU) and located at 9501 Leesville Road and 9513, 9601 and 9605 Old Leesville Road.

**Decision:** Deferred to the Board's January 9, 2017 meeting.
